Better Hazy Than Never

CERTIFIED INDEPENDENT CRAFT BREWERS ASSOCIATION

2019 Albertsons Beer Cup Winner
Consumer voted best beer in Idaho!

This is the first beer in the "Evolution Series" which quickly became a staple in our rotation. We took our original recipe and made it juicier, hazier and spacier using El Dorado, Mosaic, Ekuanot and Idaho 7 hops. It turned out so great that we now offer this hazy treat year-round! We'll continue to be pioneers of beer so look to the horizon for more EVOLUTION beer to come...
