## Codeworks

We are Idaho's premier software development boot camp. Unlike traditional education our students don't spend years and a fortune to start their careers. Our students are in and out of our courses in as little as 13 weeks. Students learn and study in team environments centered on real-world industry experience and creative problem solving. We focus on front and back-end development, transitioning a student into a new career field with an 85% career placement.

## Colonial Life

There's never been a better time to be in the insurance business and be part of the Colonial Life family. Health care costs keep rising, and employers face tough decisions when providing employees with the benefits they want and need while containing costs. Colonial Life pioneered the concept of voluntary benefits at work, and decades later, our business is growing faster than ever. To uphold our strong performance and continue serving as our clients' go-to benefits partner, we need people like you. We're looking for talented sales professionals to join our team. No matter what your role is, you gain the best of both worlds: the freedom and income potential of an entrepreneur, with a large company and support network behind you.

## MTC Idaho CAPP

MTC's Idaho CAPP has provided services to the Idaho Department of Correction for 8 years at the CAPP facility. Since 1987, MTC has been operating safe and secure correctional facilities and preparing incarcerated men and women for successful reintegration into their communities. MTC believes all correctional institutions must be held accountable for the fair and humane treatment of those in their custody. All prisons must be held to the highest standards in providing clean and well-maintained facilities, quality and timely health care, and programs that are effective in preparing men and women in custody for reintegration into society. MTC is making a social impact by giving thousands of incarcerated men and women an opportunity to change their lives.

## Paylocity

Paylocity is an American provider of cloud-based payroll and human capital management software solutions for small, medium, and large-sized organizations. As a Client Services Account Manager, you represent Paylocity as the main point of contact for our clients. You communicate with clients daily to provide training, support, issue resolution, and troubleshooting related to payroll, human capital management, time and attendance, and employee engagement tools. Are you a natural problem-solver? Does working with technology excite you? Do you love challenges? Do you love to learn? Excel at figuring out logic puzzles? If so, the Client Services Account Manager role at Paylocity may be an opportunity you would love. We offer a dynamic team environment, a modern workplace, competitive benefits, and opportunities to grow and develop new skills. We move fast, but we keep it fun. As the go-to for client support, the Client Services Account Manager focuses on making sure our clients stay informed and get resolutions quickly. Not a payroll and HR expert? No worries! You'll be set up for success with a 5-week training program, ongoing learning and development to stay up-to-date on the product, and access to a team of experts. Make a difference for our clients across the country!

## Shore Lodge

Shore Lodge is an award-winning lakefront resort located in McCall, Idaho - one of the best hidden ski towns to visit in 2016 as designated by National Geographic. The 77-room premier hotel features three acclaimed restaurants. The Cove at Shore Lodge, a full-service spa offering six treatment rooms and indoor/outdoor salt water immersions pools; a year-round swimming pool and hot tub; scenic indoor-outdoor meeting and event spaces with floor-to-ceiling windows and exclusive access to Whitetail Club's Andy North-designed golf course, lauded among Golfweek magazine's 'Best Resort Courses.' Located minutes from McCall Municipal Airport and a 2.5-hour drive from Boise, Shore Lodge offers endless recreation as it is situated on the edge of the largest area of protected wilderness in the continental United States, near three major river systems and close to the best and most plentiful natural hot springs in the lower 48 states. The resort is also located just 10 minutes from Brundage Mountain, which Ski Magazine has credited with 'the best powder in Idaho' and provides lift-assisted access to more than 20 miles of mountain bike trails.
