

Updates on the 2020 Event Schedule

As of March 18, 2020

Exhibitions and events are essential to thousands of businesses around the Treasure Valley. They exist to provide platforms for people and industries to meet, to trade, and to collaborate. Small and medium businesses in all industries in particular depend on exhibitions. And, like all types of events, they support the economy worldwide.

With that being said, the following shows have been postponed and rescheduled at this time. Thank you for all your support and we look forward to continuing serving the Treasure Valley as soon as it is safe to do so.
