MTC Idaho CAPP

MTC's Idaho CAPP has provided services to the Idaho Department of Correction for 8 years at the CAPP facility. Since 1987, MTC has been operating safe and secure correctional facilities and preparing incarcerated men and women for successful reintegration into their communities. MTC believes all correctional institutions must be held accountable for the fair and humane treatment of those in their custody. All prisons must be held to the highest standards in providing clean and well-maintained facilities, quality and timely health care, and programs that are effective in preparing men and women in custody for reintegration into society. MTC is making a social impact by giving thousands of incarcerated men and women an opportunity to change their lives.
