

# It's Time to *Get a Grip*

The best entrepreneurs know when it's time to shift gears and charge forward with confidence instead of holding back out of fear. The Entrepreneurial Operating System® is a complete system that will help you better prepare for obstacles and opportunities, solve issues at the root, and gain more traction in your company.

Over 80,000 companies around the world use timeless, practical EOS tools to run their business.

**REAL. SIMPLE. RESULTS.**

**EOS WILL HELP YOU AND YOUR LEADERSHIP TEAM GET BETTER AT**

*three things:*

## 01 VISION

Getting everyone in your organisation 100% on the same page with where you're going, and how you plan to get there.

## 02 TRACTION®

Instilling discipline and accountability throughout the company so that everyone executes on that vision—every day.

## 03 HEALTHY

Helping your leaders become a more cohesive, functional, healthy, leadership team.

“ If you just implement the EOS Process® and Tools, you'll consistently know exactly what's going on in your business, you'll know where you're going and why, and you'll have more control. ”

*Eric Ersher*, CEO OF ZOUP

## THE EOS MODEL®

The EOS Model is a visual illustration of the Six Key Components™ of any business that must be managed and strengthened to be a great organisation. This model applies to entrepreneurial businesses in any industry.

## THE EOS PROCESS®

The EOS Process provides a proven way to put all the pieces together, incorporating each of the EOS Tools in the right order to best strengthen each key component of your business.

## EOS IS *ideal* FOR

Growth-minded companies open to a game-changing way of operating. EOS gives teams of 10-250 employees the tools they need to finally gain traction in their business, achieve their goals, and build a strong team culture.
