INTERMOUNTAIN **TECHNOLOGY & LEADERSHIP CONFERENCE**

POWERED BY **FISHER'S**

OUR MISSION

is to develop leaders, cultivate relationships, and transform technology within your business.

Learn. Collaborate. Develop.

ABOUT The Intermountain Technology and Leadership Conference will bring together the Pacific Northwest's most influential tech companies, innovative leaders and professionals to address the most relevant issues facing companies today.

Join us in 2022 for your chance to inspire and educate your peers at the IMTECH tradeshow and through unlimited B2B and B2C networking. This year's event will also include technology and leadership seminar tracks and speaker panels.
