DANIEL MILLER

AZUL AURUM ENTERPRISE LLC

DANIEL J. MILLER is a Navy veteran, author, keynote speaker, entrepreneur, and founder of Operation Freedom Recovery, a nonprofit organization dedicated to supporting veterans and first responders through connection, resilience, and personal growth.

In today's rapidly changing world, leadership is no longer defined by position, title, or authority. The leaders who create lasting impact are those who understand who they are, communicate with authenticity, and remain resilient under pressure.

In this powerful keynote, Navy veteran, entrepreneur, and bestselling author Daniel J. Miller shares lessons learned through military service, personal adversity, entrepreneurship, and the journey that inspired his novel *I Am the Whale*.

Through compelling storytelling and practical insight, attendees will discover how identity influences leadership, how resilience is developed through challenge, and how authentic human connection creates influence in business and life.

Audience members will leave with a renewed understanding of purpose, greater confidence in their leadership potential, and practical strategies for showing up with clarity, courage, and impact in every room they enter.
